(x) any failure on the part of either the Borrower or the Manager to fully comply with the terms and conditions of the Security Assurance Agreement or the cancellation or termination of that Agreement.

(b) If any Event of Default shall occur:

(i) the Bank may, without notice or demand, declare all of the Obligations, including the entire unpaid principal of this Note, all of the unpaid interest accrued thereon and all (if any) other sums payable by the Borrower to the Bank hereunder to be immediately due and payable.

(ii) the Bank may proceed to protect and enforce all or any of its rights, remedies, powers or privileges under this Note by action at law, suit in equity or other appropriate proceedings, whether for specific performance of any covenant contained in this Note, or otherwise.

(iii) the Bank shall have, in addition to all other rights and remedies, the rights and remedies of a secured party under the Uniform Commercial Code of New York, including, without limitation, the right to take immediate possession of the Collateral. The Borrower will, upon demand by the Bank, but at the expense of the Borrower, make the Collateral available to the Bank at a place and time designated by the Bank which is reasonably convenient to both parties. The Bank will give the Borrower at least five (5) days' prior written

notice of the time and place of any public sale of the Collateral or of the time after which any private sale or any other intended disposition of the Collateral is to be made.

Section 10. Application of Moneys Received by Bank,
 Obligations Absolute and Unconditional, etc.

(a) The Manager has agreed, in accordance with the terms of the Security Assurance Agreement, to pay to the Bank, for the account of the Borrower, on each Instalment Payment Date, that portion of the Distributable Net Earnings (as hereinafter defined) relating to such Instalment Payment Date as shall be equal to the sum (such sum being in this paragraph (a) called the "Debt Service ") of (i) the amount of the instalment due and payable by the Borrower to the Bank hereunder on such Instalment Payment Date, and (ii) the aggregate amount of all (if any) other sums payable by the Borrower to the Bank in respect of this Note. If the Debt Service due and payable by the Borrower to the Bank on any Instalment Payment Date shall be equal to or greater than the Distributable Net Earnings relating to such Instalment Payment Date, the Manager has agreed, in accordance with the terms of the Security Assurance Agreement, to pay directly to the Bank, for the account of the Borrower, on such Instalment Payment Date, the full amount of the

Distributable Net Earnings relating to such Instalment Payment Date. Upon the receipt by the Bank from the Manager of all or any part of the Distributable Net Earnings relating to any Instalment Payment Date, the Bank will apply the full amount of the Distributable Net Earnings received by the Bank from the Manager towards the payment of the Debt Service due and payable by the Borrower to the Bank on such Instalment Payment Date. For the purposes of this paragraph, the term "Distributable Net Earnings" means the Net Earnings (as defined in the Management Agreement) which shall be due and payable by the Manager to the Borrower, in accordance with the terms of the Management Agreement, within twenty days after the end of the calendar quarter ending on the last day of the calendar month immediately preceding the calendar month in which such Instalment Payment Date falls.

(b) The Manager has agreed also in accordance with the terms of the Security Assurance Agreement, to pay to the Bank, for the account of the Borrower, the full amount of all Event of Loss Proceeds which become payable by the Manager to the Borrower at any time in accordance with the terms of the Management Agreement. Promptly after the receipt by the Bank from the Manager of any Event of Loss Proceeds, the Bank will apply the full amount of such Event of Loss Proceeds as provided by Section (4) hereof.

(c) The Manager has also agreed, in accordance with the terms of the Security Assurance Agreement, to pay to the Bank, for the account of the Borrower, the full amount of all Sales Proceeds which become payable by the Manager to the Borrower in accordance with the terms of the Management Agreement. Promptly after the receipt by the Bank from the Manager of any Sales Proceeds, the Bank will apply the full amount of such Sales Proceeds in or towards the prepayment of the principal amount of this Note, such prepayment to be in the inverse order of maturity.

(d) The Manager has also agreed, in accordance with the terms of the Security Assurance Agreement, to pay to the Bank, for the account of the Borrower, the full amount of any additional sums which become payable by the Manager to the Borrower in accordance with the terms of the Management Agreement. Promptly after the receipt by the Bank from the Manager of any additional sums, the Bank will apply the full amount of such additional sums towards the payment of all amounts which are then due and payable by the Borrower to the Bank hereunder. The balance (if any) remaining after such application will be held by the Bank until the first Instalment Payment Date following the Bank's receipt of such additional sums. Upon such Instalment Payment Date, the Bank will apply the said balance towards the payment of the

instalment then due and payable by the Borrower to the Bank on such date and the payment of any other amounts then due. The surplus, if any, remaining after such applications will be remitted by the Bank to the Manager for payment to the Borrower.

(e) The Borrower hereby directs the Bank to apply, in the manner herein provided, all of the moneys which shall at any time be paid by the Manager to the Bank, for the account of the Borrower, in accordance with the terms of the Security Assurance Agreement.

(f) The Obligations of the Borrower to the Bank under or in respect of this Note and the indebtedness evidenced hereby are absolute, unconditional and irrevocable under any and all circumstances. Without any limitation whatsoever of the generality of the foregoing, the Obligations of the Borrower are in no way conditional upon any requirement that the Bank first (i) attempt to collect from the Manager any moneys which will become due and payable by the Manager to the Borrower in accordance with the terms of the Management Agreement or the Security Assurance Agreement, or (ii) attempt to take possession of, sell, transfer or otherwise dispose of any of the Collateral or otherwise enforce any of the security interest granted to

the Bank hereby. Further, if, on the date on which any Obligation shall be due and payable by the Borrower to the Bank hereunder, the moneys which shall have been paid by the Manager to the Bank for the account of the Borrower in accordance with the terms of the Security Assurance Agreement shall be less than the amount of such Obligation then due, then the Borrower shall be absolutely and unconditionally obligated to pay to the Bank, on the due date of such Obligation, the full amount of such deficiency. Additionally, the failure, refusal or inability of the Manager to make any payment to the Bank for the account of the Borrower in accordance with the terms of the Security Assurance Agreement shall not to any extent or in any manner whatsoever discharge, release, impair or diminish any of the Obligations.
